

THE EXIT CULTURE

Work Hard | Rest Hard | Play Hard

At **EXIT Realty**, we have built a team that is supportive and fun. We enjoy and encourage each other much like a good family would do.

Because EXIT is a by-invitation-only company, everyone has a vested interest in our growth and in each other's success. This creates a mentoring spirit and a culture of caring and sharing.

In addition, EXIT Realty Corp. International is a holistic company and we recognize that a person's emotional, physical and spiritual well-being are key to their overall quality of life. To this end the company's Focus on Good Health initiative includes a series of articles, tips and tools promoting wellness at work and home.

Good Corporate Citizens

In the spirit of good corporate citizenship, EXIT Realty leads the way with our green initiative, **"Teal is the New Green"** which includes training, resources and other tools to assist our agents in marketing themselves as proficient green REALTORS®. By affiliating ourselves with EcoBroker® International, the world's first and largest green designation program for real estate professionals, we show that we share the green focus and environmental concerns of many of our customers.
